

# GOD STORIES

**We have discovered and believe in the power of prayer and for God to give breakthrough in all areas, INCLUDING BUSINESS!**

I recently started a business and along with my business partners we began by consecrating and dedicating it to the Lord. We meet often in person and regularly pray on the phone together, asking God to bless our efforts, for His love, peace, joy and His glory to shine through us and leave a residue wherever we go. We pray for individual team members, for good contacts and for eyes and ears to be open to opportunities. As we drive to appointments and meetings we read

His Word and pray. We have prayed with team members, who don't know the LORD, on the phone for very practical needs. We've told them that we pray regularly for them and for their success. At a recent meeting held in a hotel bar in another city, we had just concluded our meeting when one of the team members, as host, made an announcement that we would work together to be successful and also unapologetically stated that this team would also be built with prayer. He then asked me to conclude our time together with prayer,

giving others at the table the opportunity to leave if they desired (no one left). What is incredible is that the host has experienced the value of answered prayer as we've prayed for him. We know that as God grows this business we will have the opportunity to share publicly that this business has succeeded because of God's partnership, leading and guiding. We also look forward to sharing our faith and being able to pray, knowing we will see His hand move as we lift people and their circumstances up to Him. As my partner says, "I know that God is going to use this business as a vehicle to bless and touch people's lives and bring others to Him." We give Him all the glory.

there are so many broken  
 people all around us, so  
 many children within our  
 school system that come  
 from broken homes, many do  
 not know there is HOPE out  
 there for them. The  
 only way  
 that some may  
 ever know is  
 by  
 intercessory  
 prayer.  
 Many of our

## HIS DESIRE ....

I pray that God, the source of hope,  
 will fill you completely with joy and  
 peace because you trust in  
 him. Then you will

 with  
 confident  
 hope  
 through the  
 power of  
 the Holy  
 Spirit.

 such a hope, we are
